## Competition Handbook 2026

— A decade of performance, progress, and pride —

## Section 1 – About

### 1.1 – English Gymnastics

The English Gymnastics Association Limited (EGA) was originally formed in 1982 by the English Regions, to ensure that England was represented in the Commonwealth Games and other international events. English Gymnastics is recognised by Commonwealth Games England and affiliated to the Commonwealth Gymnastics Federation, along with Scottish Gymnastics, Welsh Gymnastics and Gymnastics Northern Ireland all being recognised by the Commonwealth Gymnastics Federation too.

More details about us and our strategy can be found [online](#) .

## 1.3 – Welcome Letter

Dear Clubs,

Thank you for taking the time to read the **English Competition Handbook 2026**. I am delighted to welcome you to the **English Championships**, as we proudly celebrate our **10th year of competition since the English Championships were reinstated**. This milestone reflects a decade of growth, development, and continued commitment to providing high-quality competition opportunities across England.

The English Championships are designed to underpin and support the National competition structure provided by British Gymnastics. Over the past ten years, the English competition pathway has continued to evolve, and this handbook sets out the framework that supports athletes, coaches, and clubs within that structure.

For those new to the English competition pathway, the structure is organised across **bronze, silver, and gold** levels. Qualification to the English Championships at each level is achieved through **two designated qualifying competitions**. Gymnasts may compete in the following disciplines at the English Championships:

- Trampoline Individual (TRI)
- Trampoline Synchronised (TRS)
- Double Mini Trampoline (DMT)
- DMT Synchronised (DMTS)
- Tumbling (TUM)
- Disability Trampoline Individual (DIS TRA)
- Disability Trampoline Synchronised (DIS TRS)
- Disability Double Mini Trampoline (DIS DMT)

Please note that **Tumbling** has alternative qualification pathways compared to Trampoline and Double Mini Trampoline. These pathways are clearly outlined within this handbook.

**Qualification to the British Championships cannot be achieved via the English Series or the English Championships.** England will, however, accept scores from **British Qualification Series 1** for 'Gold level' only. Due to the compression of competition dates within the season, it is not possible to use scores from **British Qualification Series 2** for qualification purposes. **This does not apply to synchronised entries.**

**For Tumbling**, the qualification process will follow that of previous years. Qualification to the British Championships cannot be achieved via the English Championships, although this may be reviewed and subject to change in future years.

We strongly encourage all coaches to read this handbook carefully and familiarise themselves with any updates or changes. Coaches are also asked to be mindful when selecting competition levels for their gymnasts – if a gymnast has the ability to compete at **gold level**, they should be entered accordingly.

Thank you once again for your continued support and commitment. As we mark this significant 10-year milestone, I look forward to welcoming you and your gymnasts to the English competitions throughout 2026 and wish you every success for the season ahead.

Yours in Sport,

**Stephen Wood**

## Section 6.0 – Judges & Officials Requirements

### 6.1 – Provision of Volunteers (TRA/ DMT/ TUM)

Just Volunteers: Clubs will be required to nominate one volunteer when entering gymnasts online for the English Championships, regardless of the number of gymnasts entered. **All volunteers are required for the full day.**

The English series, realise on volunteers, we require volunteers for collecting payments on the doors, look after the warm-up area and help deal with crowds. Anyone who volunteers for either the Saturday or Sunday, they will receive free entry to the competition floor and receive a free lunch.

### 6.2 – Missing Volunteer

<b>Missing Volunteer fee:</b>	£150 per missing volunteer, per day.
-------------------------------	--------------------------------------

Where a club is unable to supply a judge and accepts the above fine, they are to email [English Gymnastics Events](#) stating:

- Their Club
- Number of gymnasts being entered into the event
- Number of missing judges
- Acceptance of missing judge fee

The EGAAdmin Team will confirm the missing judge fee application and inform of the next steps.

### 6.3 – Withdrawal of Volunteer

<b>2+ days prior to the event fee:</b>	£150 per missing judge/ volunteer, per day.
<b>0 – 1 day prior to the event fee:</b>	£300 per missing judge/ volunteer, per day.

- Substitution process will prevail where a suitable replacement is found by the club.
- Fees **will still apply** to clubs' judges/ officials **with illness on the day**.
- All fees will be invoiced by EGA Events Admin Team.

### 6.4 – English TRA/ DMT Qualification Series and Championships – Judge Notes

England Gymnastics is developing a centralised list of judges who wish to officiate at the English Championships Series. Clubs are asked to actively encourage their judges to register their interest in being included on the England Judges List.

Appointments for the English Championships Series, will be made by the EGTTTC National Judging Coordinators for Trampoline and Tumbling, who will select officials and judges from those who have put themselves forward.

As part of this process, clubs are no longer required to nominate judges when entering gymnasts into the competition series. However, continued club support in promoting judge sign-up remains essential.

The successful delivery of the English Championship Series depends on the availability of a strong, experienced, and committed judging workforce. We greatly value the ongoing support of Regional,

National, and Brevet judges, whose contribution is vital to ensuring the smooth, fair, and professional running of the competitions.

#### 6.4.1 – Judge Expenses

The EGA will provide **shared twin-room accommodation only** for judges. Judges requiring a single room will be subject to a **supplementary charge**, which will be **invoiced and must be paid in advance of the competition**.

Accommodation, breakfast, and lunch will be provided. **Reasonable Saturday evening meal expenses only** will be reimbursed **up to a maximum of £25**, subject to the submission of a valid receipt and in accordance with EGA expenses policy. **Alcohol is not an allowable expense and will not be reimbursed**. This reimbursement applies **only to judges officiating on both Saturday and Sunday**.

Judges who do not require accommodation but are fulfilling a nominated role will be provided with **lunch and refreshments during the competition**.

**Utilised judges may claim travel expenses up to a maximum of £60**, reclaimable via official expenses claim form available from the judges' organisers on the day of the competition.

#### 6.5 – English Approved Judge List

Every year, English Gymnastics will contact judges at the start of the calendar year to create/ update their availability and wishes to be added to the English Approved Judge List.

This list will be coordinated by EGA appointed judging convenors. <https://www.british-gymnastics.org/england>  
Where a judge wishes to be added/ removed from this list they must contact [English Gymnastics Events](#) 

\* Judges of a lower qualification may be considered for development purposes and should email [English Gymnastics Events](#)  with their request. The Organiser and Judge Convenor will have absolute discretion whether to accept a lower qualified judge for sustainability of the event.

#### 6.6 – Withdrawal of Judge or Official

Judges who withdraw from a competition after booking a single room will still be required to pay the single-room supplement, as this cost cannot be recovered once accommodation has been confirmed.

We ask all judges to recognise that accepting an appointment represents a significant commitment and is essential to the smooth and professional running of the competition. Late withdrawals make it extremely difficult to secure suitable cover at short notice and can place unnecessary pressure on the event workforce.

As EGA now manages judge appointments centrally, replacing judges at late notice has become increasingly challenging. Judges are therefore asked to give as much notice as possible if they are unable to attend, to allow adequate time for replacements to be arranged. Your cooperation and professionalism are greatly appreciated and help ensure the continued success of the English Championship Series.

## Appendix 1 – Time of Flight Protocols

(Time of Flight Measurement Device = TMD)

ToF Score (T-Score) Protocol

The T and H score will be determined by the measurement retrieved via the TMD. In the event of this NOT being achieved the following back up protocols will be adopted:

### ToF Back-up Protocol 1

In the first instance, the T-score H-score will be determined using TMD's recommended T-score retrieval software.

### ToF Back-up Protocol 2

In the event of the routine being missed on both the TMD and the capturing software, the competitor will be granted another attempt. In this scenario, the original E and D scores will remain.

The attempt will be judged only by the ToF judge, and the routine being verified by the D judges. Should this happen, the following regulations will be applied:

The CJP will negotiate only with the gymnast's coach for the most opportune moment for the gymnast to have their attempt, (this must be completed within the time scale permitted as outlined in the event timetable).

The second attempt(s) will be judged only by the ToF judge. The original E and D score will remain unchanged.

The gymnast must compete with the exact same routine as the one in which their T and H-score was missed.

In the event the gymnast fails to complete their routine after an agreed amount of attempts the T-score will be calculated based on previous scores.

### ToF Back-up Protocol 3 (Previous Scores)

In the event of the gymnast failing to complete their attempts the T-score will be based on the T-score from the last (or previous) qualification event(s). However, the routine would have needed to be the same.
